Those dancers in the first half, please arrive no later than 5:00pm.

Second half, please arrive no later than 5:45pm.

We will show you the dressing room set aside specifically for our little ones and introduce your class's room mom when you arrive. Then we will rehearse each class in the order that they will perform in the recital. As soon as your dancer's rehearsal time on stage is over, you are free to leave. Since you already had practice with hair and make-up during pictures, **you DO NOT need to come in costume.** Just bring your dancer in his or her regular dress code dance attire.

Recital Information

*Recital call time for those performing in the first half: 2:30pm

If your dancer performs during the first half, drop him or her off in the dressing room at 2:30pm and make arrangements to **pick her up during intermission**. He or she can watch the second half with you if you would like. Do not pick your child up during the performance—this causes a lot of distraction in the auditorium and isn't polite to the parents and other audience members trying to watch the rest of the show.

*Recital call time for those performing in the second half: during intermission

If your dancer performs during the second half, he or she can watch the first half from the audience (with a cover-up on) and come backstage at the beginning of intermission (not before). Please make arrangements to **pick your child up at the end of the recital**. Do not pick your child up during the performance—this causes a lot of distraction in the auditorium and isn't polite to the parents and other audience members trying to watch the rest of the show.

We expect the show in its entirety to last around an hour—short and sweet! :) If you have any questions, please email info@theartofmotion.org or call at 479-444-7779. We are happy to help! We know that this is the first recital for a lot of you, and we want it to be a great one!

Thanks!
